

IIFL Home Finance commits Rs 2 crore for Covid support

New Delhi, IIFL Home Finance, one of India's leading housing finance companies has committed to raise Rs 2 crore to support COVID patients, their families and healthcare workers across India.

They have initiated a fund-raising campaign on Givindia platform for this purpose. The funds will be used for providing oxygen supply and life-saving equipment, help low-income families bereaved by COVID, overcome their loss, provide cooked food and ration kits and help with isolation facilities and medical care to COVID patients.

The Rs 2 crore fund will be shared with Givindia, SOS Children's Village of India, Rise Against Hunger India and Doctors For You. The contributions are expected by customers, employees, and the general public.

Commenting on the development Mr Monu Ratra, CEO, IIFL Home Finance said, "Due to a spike in cases across the nation, Covid-19

has led to a lot of challenges for everyone and has affected many people throughout the country. We, IIFL Home Finance Ltd., are coming together with Givindia to raise funds to support the country in this time of need."

Givindia and Doctors For You will use the funds for COVID care centres and oxygen supply. Rise Against Hunger India will use the funds for ration kits and cooked meals, and SOS Children's Village of India will use the funds for child care. IIFL Home Finance is a part of the diversified non-banking finance company IIFL Finance, which caters to the credit needs of the unbanked and underbanked population of India present across 2500 locations with a client base of over 60 lacs.

IIFL Home Finance calls out to the nation to come together during these tough times and contribute their share for the cause at iifl-hfi.giveindia.org

Offshore staffing firm Entigrity announces Covid-19 bereavement support with one year salary

Mumbai, Keeping the employees welfare as the top priority, Entigrity, a leading offshore staffing company, announced a new COVID Support Policy for its employees. Under the new policy, the offshore staffing company will give twelve months salary to the families of employees who have lost the battle to COVID.

The company will also provide children education support up to graduation level. Entigrity is a leading offshore staffing solutions provider to major accounting and tax firms situated across North America. Headquartered in Sugar Land, TX, Entigrity has five offshore offices located in India; three of them in Ahmedabad and one each in Mumbai and Vadodara.

Putting more light on the new policy, Shalin Parikh, President and CEO, Entigrity Group, said, "Our employees are our assets and their wellbeing is our topmost priority.

Our new COVID Support Policy is a reflection of our commitment towards them. With the new policy we extend our support to our employees and we hope that it would work as a relief for the bereaved family members in the time of grief and uncertainty." In order to support its people amid second wave of COVID-19, Entigrity is taking care of the hospitalization expense through a group Mediclaim policy for all employee and their families.

Seeing the oxygen shortage for patients, the offshore staffing firm is also planning to buy oxygen concentrators for the employees and their families.

Entigrity is working on a plan to start post COVID health counselling, especially for mental wellbeing. The company has set up an in-house gym and recreation area to motivate people to adopt a healthy lifestyle and stay fit. Being a socially responsible entity,

Entigrity had launched a Food Distribution Drive to support the underprivileged sections of the society in April 2020. Since then the company has been supporting the families of construction workers, contract workers, street sellers, rickshaw drivers, cart pullers, labourers, etc by distributing food and ration. Recently, the company extended its support to the victims of Tautkate cyclone under its food distribution drive.

Samsung ups presence in Europe, Middle East, Africa in Q1

Seoul, Samsung expanded its presence in the Europe, Middle East and Africa (EMEA) smartphone market in the first quarter of the year, a report showed on Monday. The South Korean tech giant shipped 30.6 million smartphones in the EMEA market in the January-March period for a 32.8 percent market share, according to the latest report by industry researcher International Data Corp. (IDC).

The figures were up from a year earlier when the company shipped 22.7 million smartphones for a 29.5 percent market share.

Samsung had a very strong quarter and captured nearly two-fifths of the European smartphone market -- its largest quarterly share for six years," IDC said. Xiaomi moved up two spots to take the runner-up position after its smartphone shipments nearly doubled to 14.4 million units in the first quarter for a 15.4 percent market share. Its Chinese rival, Shenzhen Transsion Holdings, came in third with a 15 percent market share by shipping 14 million smartphones in the first three months of 2021, reports Yonhap news agency. Apple fell from the second spot to fourth place with a market share of 14.3 percent after shipping 13.3 million iPhones in the first quarter.

IFC plans to lend \$50M for Rabobank India

Chennai, International Finance Corporation (IFC) part of the World Bank group plans to lend up to \$50 million to Rabobank India, the Indian branch of Netherlands-based Rabobank. According to IFC, the loan will be of five year tenor and it aims to support Rabobank India's efforts to expand its lending programme to climate smart agriculture (CSA) and renewable energy projects. The IFC and Rabobank India are also in discussions on the former's advisory services aiming to assist the latter in strengthening its internal knowledge of selected agriculture value chain players in some geographies in India as well as the design of lending products needed to finance CSA solutions.

The Netherlands based Rabobank is a major in retail banking and in the food and agri business markets worldwide. It has one branch in India in Mumbai. Rabobank India deals with international wholesale banking activities with Indian clients as well as Dutch clients operating in India.
